Description	This is the description of the example test module
*version	1.0

Test Session Summary

Start: Thu Jan 1 01:00:00 1970

End: Wed Jan 11 19:43:13 2023

Duration: 19368 days, 18:43:13.562000

passed: 1 (33.33%)

skipped: 0 (0.00%)

broken: 0 (0.00%)

failed: 2 (66.67%)

unknown: 0 (0.00%)

Test case 2	failed
Test case 3	failed
Test case 1	passed

Test case 2 [failed]

Duration	0ms
Preconditions	Something must happen before.
Requirements	Requirement 1
	Requirement 2

Description

This is the description of test case 2.

Details

AssertionError: assert 42 == 666

Test case 3 [failed]

|	
Duration	1ms
Preconditions	Something must happen before.
Requirements	Requirement 1
	Requirement 2

Description

This is the description of test case 2.

Details

AssertionError: assert 42 == 43

Test Body

[Attachment] something

Test case 1 [passed]

Duration	1ms
Preconditions	Something must happen before.
Requirements	Requirement 1
	Requirement 2

Description

This is the description of test case 1.
